Exhibiting Information

Special program

World Meets Energy
SMART ENERGY WEEK

FUSION POWER WORLD

Gathering Products and Technologies to Realise Fusion Power Generation

Tokyo Show in October

Dates: October 6 (Wed) - 8 (Fri), 2027
Venue: Makuhari Messe, Japan

Osaka Show in November

Dates: November 24 (Wed) - 26 (Fri), 2027
Venue: INTEX Osaka, Japan

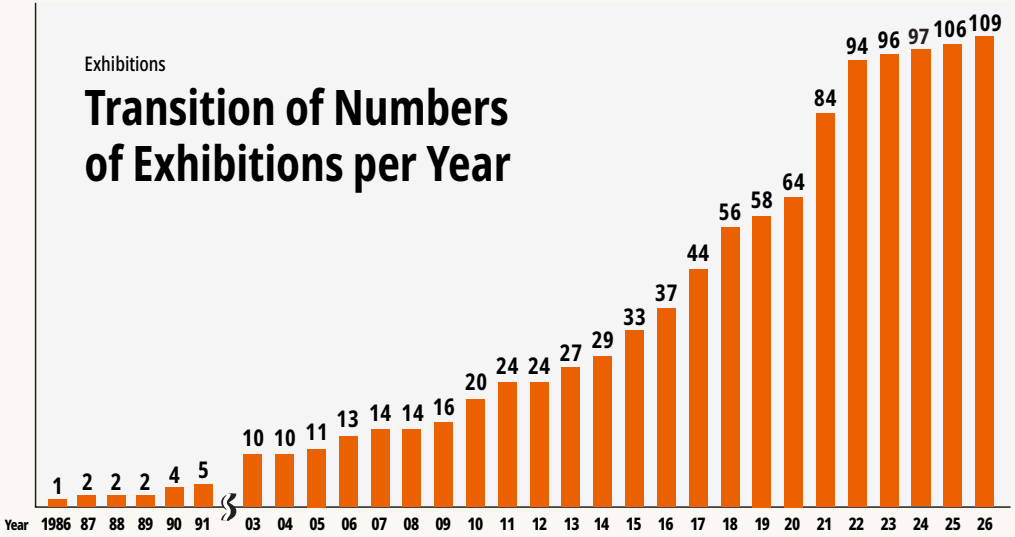
Organiser: RX Japan GK

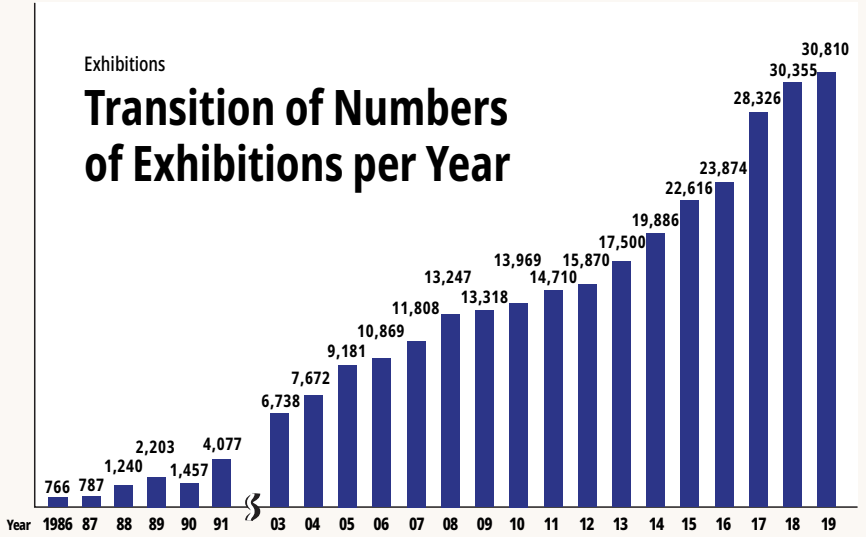
Supported by:
National Institutes for Quantum Science and Technology
ITER Japan Domestic Agency, JADA
The Japan Society of Plasma Science and Nuclear Fusion Research (JSPF)
Japan Fusion Energy Council (J-Fusion)
National Institute of Fusion Science

RX Japan is Japan's Largest Trade Show Organiser

Holding 109 exhibitions in 38 sectors a year! (The consisting shows are 372 in total.)

RX Japan organises 106 exhibitions a year at large exhibition halls such as Tokyo Big Sight, Makuhari Messe and INTEX Osaka across a wide variety of 38 fields including jewellery, fashion, gift items, electronics, energy, IT, cosmetics and medical.
RX Japan fully contributes to expand the exhibitors' business by making the most of the expertise backed up with the experiences





Exhibitions organised by RX Japan (excerpts)

Manufacturing World Tokyo

Exhibition of Various Solutions Related to the Manufacturing Industry

Consists of:
- Factory Facilities & Equipment Expo
- Design & Manufacturing Solutions Expo
- Manufacturing DX Exhibition
- Measure/Test/Sensor Expo

etc.

NEPCON JAPAN

Asia's Leading Exhibition for Electronics R&D, Manufacturing and Packaging Technology

Consists of:
- INTERNEPCON JAPAN
- ELECTROTEST JAPAN
- ELECTRONICS COMPONENTS & MATERIALS EXPO

etc.

NexTech Week

Where solutions meet to shape the future of people, businesses, and the world!

Consists of:
- AI Expo
- BLOCKCHAIN EXPO
- QUANTUM COMPUTING EXPO
- DX HUMAN RESOURCE DEVELOPMENT EXPO

etc.

SPEXA

An exhibition where everything about the space business comes together

Consists of:
- Rocket/Satellite Development
- Electronic devices, Sensors, Semiconductors
- Optical sensors, Microwave sensors
- Satellite Control and Operation Support

etc.

Held inside SMART ENERGY WEEK Osaka 2026

Concept

The world's leading energy exhibition with over 20 years of success! Held three times a year in Tokyo, Makuhari, and Osaka, it's Japan's No.1 energy show. Coming in September and November 2026: a special focus on nuclear fusion power—bringing together people, technology, and ideas to drive the future of energy.

Show Video

Exhibitor/Visitor Profile

Exhibitor

- Fusion Reactor Technologies
- Components and Equipment (Superconducting Coils, Vacuum Vessels, Heating Systems, Divertors, Blankets, etc.)
- Structural Materials
- Machining and Welding Technologies
- Fuel Supply Systems
- AI Utilisation and Plasma Control Technologies
- Various Plant Facilities and Measurement Instruments
- Operation and Maintenance

etc.

Business Meetings

- Technical Consultation
- Quotation and Delivery Arrangement
- Aquiring New Leads Sharing
- Advanced Initiatives and Technologies

Visitor

- Power Generation Companies
- Plant Engineering Firms
- Universities, Research Institutions, Experimental Facilities
- Operations and Maintenance Companies
- Financial Institutions, Investors
- Nations, Governments, International Organisations
- Trading Companies, Agencies
- Companies aiming to advance their business by leveraging fusion tech

etc.

Held Twice a Year. Exhibit at Both Shows!

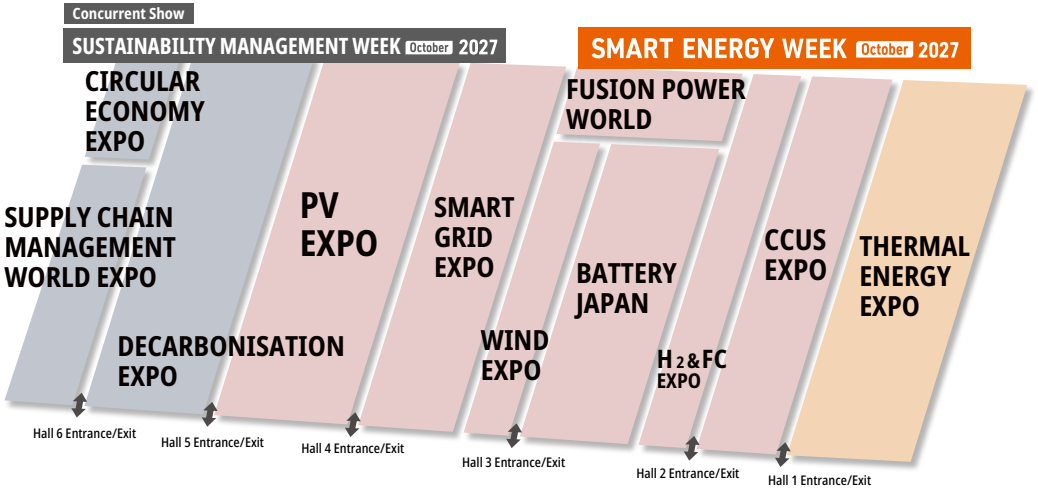
Tokyo Show in October

Dates: October 6 (Wed) - 8 (Fri), 2027

Venue: Makuhari Messe, Japan

Exhibitors **500**

Visitors **45,000**



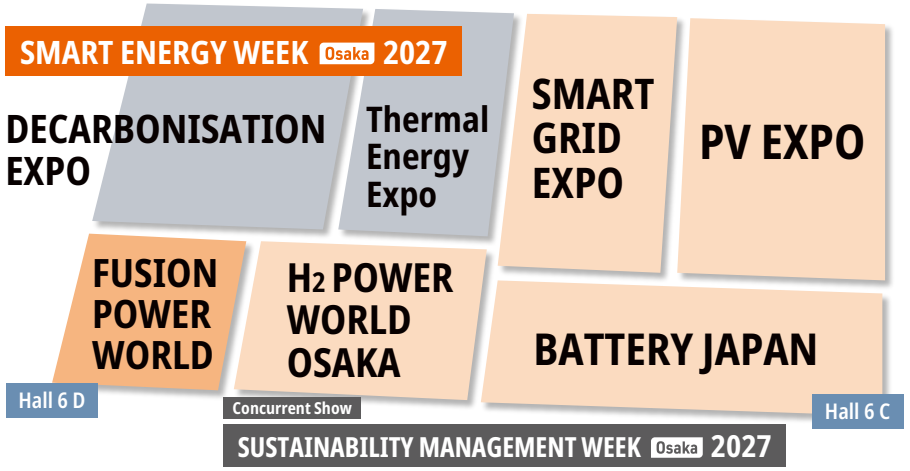
Osaka Show in November

Dates: November 24 [Wed] - 26 [Fri], 2027

Venue: Tokyo Big Sight, Japan

Exhibitors **280**

Visitors **13,000**



Co-held Conference Attracts More Visitors

china eu india japan korea russia usa

Takayoshi Omae
ITER Organization
Head of Construction Project Office

Price and Service

Compact Type (3×2.7m)

Exhibition Fee: 600,000 JPY

- Basic equipment and ExpoMaster are included in the fee.
- Member companies of supporting organizations receive a ¥100,000 discount.
- Exhibitors of FUSION POWER WORLD [Autumn] can exhibit at the Kansai show for free.

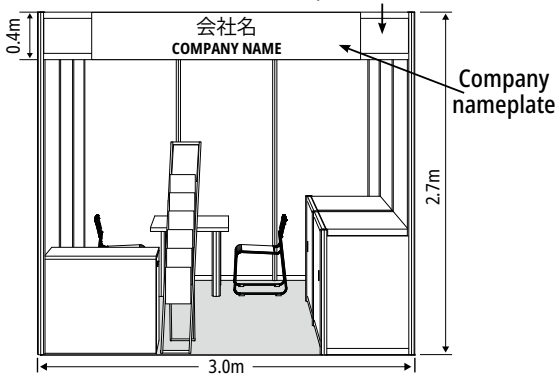
Exhibition Booth (3m × 2.7m)
In the booth, you can display products, posters, and provide explanations of research content.

< Equipment and fixtures included in the booth >
- Basic equipment (wall panels, carpet)
- Company name plate (width 0.9m, height 0.3m)
- Meeting set (1 set)
- Display table (width 3m, depth 0.7m, height 1m)

...and many more

Elevation view

*The mounting panel for the company nameplate will be white in color



Standard Type (6×2.7m)

Exhibition Fee: 1,200,000 JPY

- Basic equipment and ExpoMaster are included in the fee.
- Member companies of supporting organizations receive a ¥100,000 discount.
- Exhibitors of FUSION POWER WORLD [Autumn] can exhibit at the Kansai show for free.

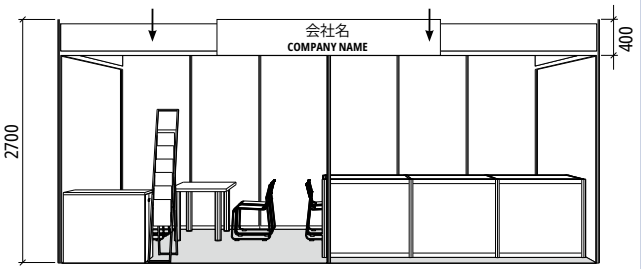
Exhibition Booth (6m × 2.7m)
In the booth, you can display products, posters, and provide explanations of research content.

< Equipment and fixtures included in the booth >
- Basic decoration (wall panels, carpet)
- Company name plate (width 2.4m, height 0.4m)
- Meeting set (2 sets)
- Display table (width 3m, depth 0.7m, height 1m)

...and many more

Elevation view

*The mounting panel for the company nameplate will be white in color



Custom Decoration Type (6×2.7m and above)

Exhibition Fee: 1,000,000 JPY and up

- ExpoMaster is included in the fee. You can expand the booth by 3m × 2.7m for an additional ¥500,000.
- Member companies of supporting organizations receive a ¥100,000 discount.
- Exhibitors of FUSION POWER WORLD [Autumn] can exhibit at the Kansai show for free.

Special Offer
