

The show will be held from Feb. 26-28, 2020 as scheduled

25th Feb. 2020

16th World Smart Energy Week will be held from Feb 26th-28th, 2020 at Tokyo Big Sight as scheduled.

The following measures will be implemented during the show.

- Hand sanitizers will be set at all the exhibition entrances.
- Body temperature measurements by thermography devices at all the exhibition entrances
 - In case body temperature is 37.5°C(99.5°F) or above, we may reject your entry after you submit health check sheet and go through interview by a doctor or nurse.
- Signboards to request attendees to wear a mask will be put onsite
- Signboards to recommend Respiratory Hygiene/Cough Etiquette & Frequent Hand-washing will be put onsite
- Doctor and Nurse will be stationed at the venue during the fair.
- First-aid room will be set up inside the venue.

Show Management also request the following for those who attend the show.

- Wearing a mask when you enter the exhibition
- Respiratory hygiene/cough etiquette & frequent hand-washing
- If you have a fever or flu-like symptoms, refrain from attending the show

We look forward to welcoming you at the venue.
