Show Overview

About Smart Energy Week [March]

Renewable energies are expected to play a more significant role in achieving carbon neutrality by 2050. Smart Energy Week gathers a full range of renewable energy technologies such as hydrogen and fuel cells, solar power, rechargeable batteries, smart grids, wind power, carbon capture, utilisation & storage etc. SMART ENERGY WEEK is an exhibition where the latest technologies, information, and people gather to accelerate business in the energy industry.

Dates : March 17(Tue) – 19 (Thu), 2026

Venue : Tokyo Big Sight, Japan

Organiser : RX Japan GK.

Concurrent Show : SUSTAINABILITY MANAGEMENT WEEK

Sponsor

FCV Test-Drive Event

We hosted a three-day event offering test drives of the latest FCV models, including the Crown and NEXO. Strong interest led to many fully booked sessions and a high turnout, resulting in a highly successful event.

Special Cooperation: Toyota Motor Corporation, Hyundai Motor Company

EU-Japan Green Transition Reception

We hosted our first networking event connecting businesses in Japan and the EU. The event attracted approximately 300 participants interested in working with EU companies and expanding overseas.

Date & Time: Tuesday, March 17, 2026, 17:45–19:30

Venue: Reception Hall, Tokyo Big Sight

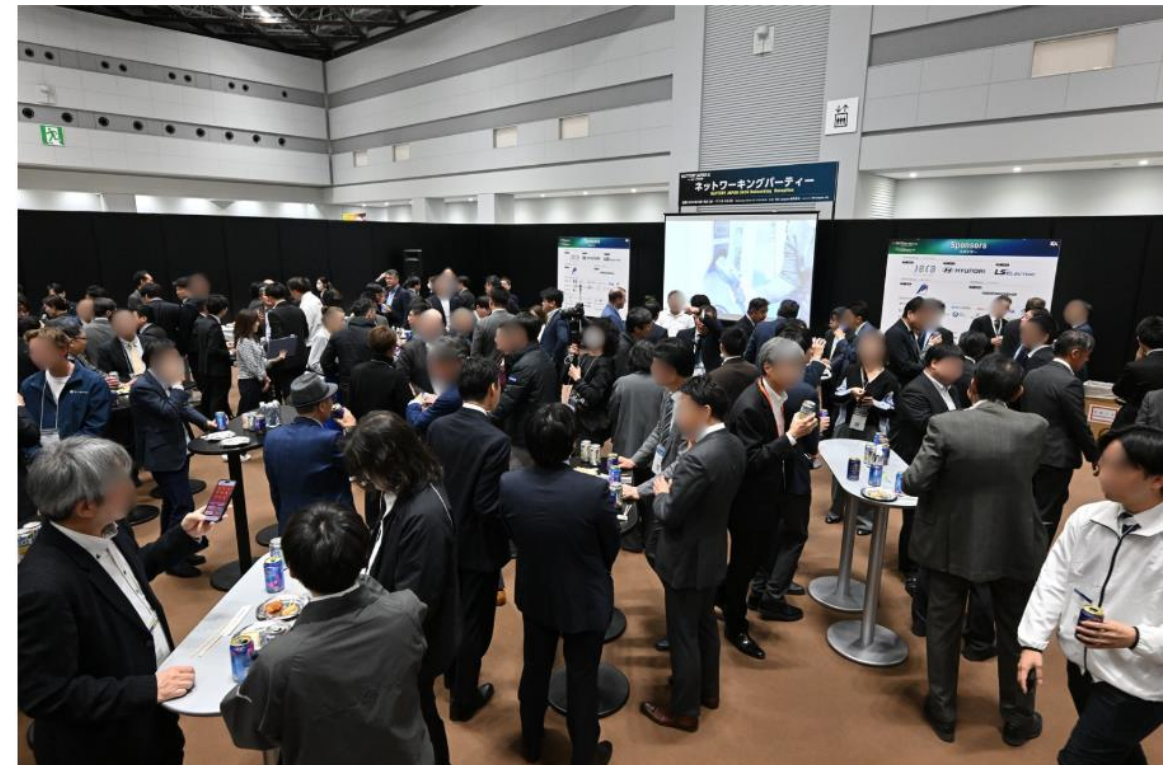

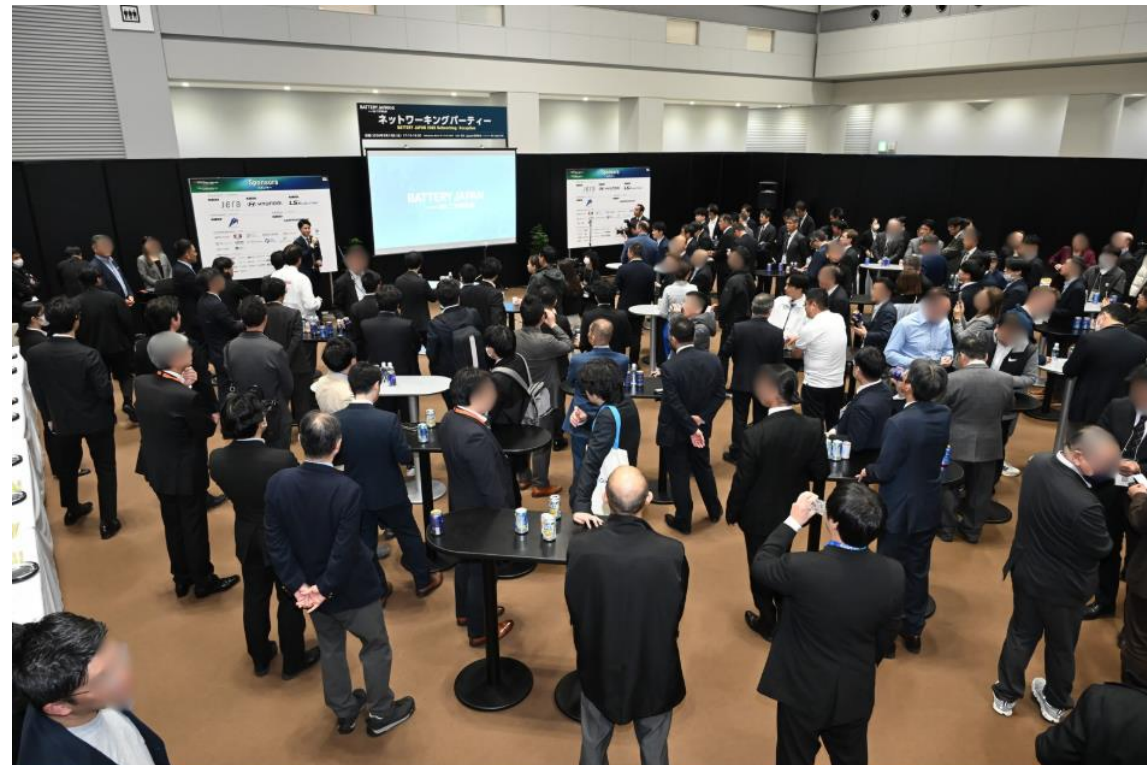

Opening Toast: Delegation of the European Union to Japan / JETRO (To Be Confirmed)

BATTERY JAPAN Networking Events

We hosted an invitation-only networking reception for exhibiting companies and key visitors, including battery manufacturers, automotive manufacturers, and battery materials suppliers.

Date & Time: Wednesday, March 18, 2026, 17:15–18:30
Venue: VIP Lounge, South Hall 4, Tokyo Big Sight
Organiser: RX Japan GK.

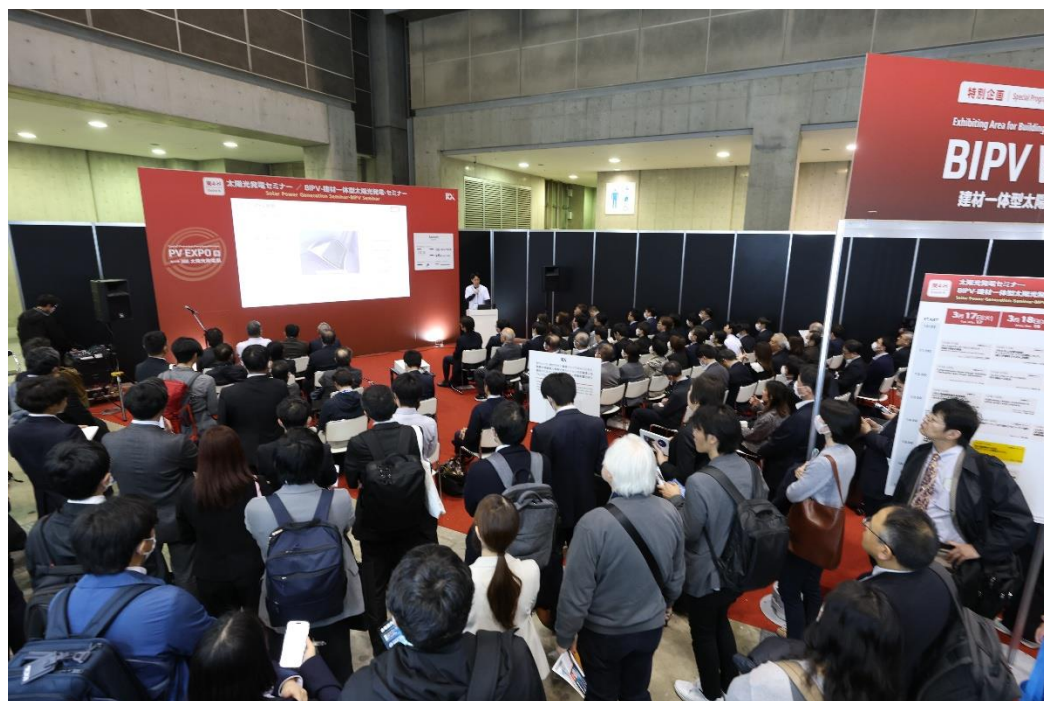

Special Exhibit Area

BIPV WORLD

Exhibiting Area for Building-integrated Photovoltaics Technologies

What is BIPV WORLD?

A special exhibit area showcasing building-integrated photovoltaic technologies, held within PV EXPO [March]. Exhibitors will deliver presentations about their exhibits in this area.

Special Exhibit Area

WIND EXPO

Offshore Wind Human Resource Development Forum

Offshore Wind Student Day

Organiser

To support the sustainable development of offshore wind power in Japan, a special program was held at WIND EXPO Spring, organized by WFO, the Industry–Academia Offshore Wind Human Resource Development Consortium, and Nagasaki University.
